## VERSE 1

**Am F C**  
Darkness tries to keep me low  
**Am F C**  
No escaping from the storm  
**Am F**  
But through the doubts and fear  
**C G**  
My soul be still  
**Am F G**  
And know that He is Lord

## BRIDGE

**C G**  
See the mountains before you  
**Am**  
They will tremble at just one breath  
**F**  
For our God is the alpha  
**C**  
And His love will never end

## CHORUS

**C**  
So we'll live and walk by faith  
**G**  
With our feet on solid ground  
**Am**  
Do you hear the sound of grace  
**F**  
Do you hear the sound of grace  
**C**  
I was lost but now I'm found  
**G/B**  
By the One who wears the crown  
**Am**  
Do you hear the sound of grace  
**F**  
Do you hear the sound of grace

## VERSE 2

Father You're the One I trust  
Here with You I won't get lost  
The anointed One  
Has anointed me  
And showed He set me free
